

Textbook Information

Beginning in 2011, WCC Students will access book information through Edvance 360. Once a student is registered for a course, he/she will be able to go to his/her course in Edvance 360 4-6 weeks before the course begins. Go to the Williamson Christian College website at <http://www.williamsoncc.edu/>. Then click to login at Edvance 360. Students will be redirected to <https://edvance360.com/williamsoncc/>, click **COURSES**, and go to the **course syllabus** to obtain textbook information.

At this point, students are free to shop for textbooks at any of the following websites:

- www.bestbookbuys.com
- www.amazon.com
- www.abebooks.com
- www.halfoff.com
- www.ivpress.com

Students may also use other alternative suppliers. ECampus.com will no longer have the WCC booklists.
