Tenets of Faith

(November 17, 2006; reaffirmed March 29, 2012)

The Tenets of Faith (ABHE) was approved by the College Board as read below.

- We believe that there is one God, eternally existing in three persons: Father, Son, and Holy Spirit
- We believe the Bible to be the inspired, the only infallible, authoritative Word of God.
- We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious atonement through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and His personal, and visible return in power and glory.
- We believe that man was created in the image of God, that he was tempted by Satan and fell, and that, because of the exceeding sinfulness of human nature, regeneration by the Holy Spirit is absolutely necessary for salvation.
- We believe in the present ministry of the Holy Spirit by Whose indwelling the Christian is enabled to live a godly life, and by Whom the Church is empowered to carry out Christ's Great Commission.
- We believe in the bodily resurrection of both the saved and the lost; those who are saved unto the resurrection of life and those who are lost unto the resurrection of damnation.

HEALTH HISTORY FORM

Hepatitis B Health History Information

Failure to complete and sign this portion will place a hold on your admissions file.

The General Assembly of the State of Tennessee mandates that each public or private postsecondary institution in the state provide information concerning Hepatitis B infection to all students matriculating for the first time. Tennessee law requires that such student complete and sign a waiver form provided by the institution that includes detailed information about the disease. The required information below includes the risk factors and dangers of the disease as well as information on the availability and effectiveness of the vaccine for persons who are at-risk for the disease. The information concerning this disease is from the Centers for Disease Control and the American College Health Association.

The law does not require that students receive vaccination for enrollment. Furthermore, the institution is not required by law to provide vaccination and/or reimbursement for the vaccine.

Hepatitis B (HBV) is a serious viral infection of the liver that can lead to chronic liver disease, cirrhosis, liver cancer, liver failure, and even death. The disease is transmitted by blood and or body fluids and many people will have no symptoms when they develop the disease. The primary risk factors for Hepatitis B are sexual activity and injecting drug use. This disease is completely preventable. Hepatitis B vaccine is available to all age groups to prevent Hepatitis B viral infection. A series of three (3) doses of vaccine are required for optimal protection. Missed doses may still be sought to complete the series if only one or two have been acquired. The HBV vaccine has a record of safety and is believed to confer lifelong immunity in most cases.

I hereby certify that I have read this information and I have received the complete three dose series of the Hepatitis B vaccine.

Date of completion of the Hepatitis B vaccination series: ____/____/____

____ I hereby certify that I have read this information and I have elected to receive the Hepatitis B vaccine and/or I am in the process of receiving the complete three (3) dose series of the Hepatitis B vaccine.

____ I hereby certify that I have read this information and I have elected not to receive the Hepatitis B vaccine.
